FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

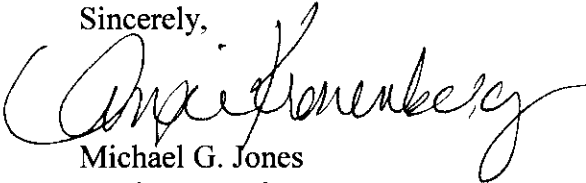

Re: WCB Docket No. 04-165

Dear Ms. Dortch:

Country Road Communications, LLC ("Country Road") and its wholly owned affiliate Granby Holdings, Inc. ("Granby Holdings"), through their attorneys, hereby affirm that they, combined with The Granby Telephone & Telegraph Company of Massachusetts ("Granby"), have less than 10% market share in the interstate, interexchange market in the U.S. and that prior to acquisition of Granby, Country Road and Granby Holdings did not provide service (either competitive or incumbent exchange access service) in the geographic area served by Granby or in the geographic areas adjacent to the area served by Granby. Country Road, Granby Holdings, and Granby are incumbent independent local exchange carriers (or affiliates thereto) that have, in combination, fewer than two percent of the nation's subscriber lines installed in the aggregate nationwide, and no overlapping or adjacent service areas.

The foregoing premises considered, Granby Holdings and Country Road respectfully request that their application in the above-referenced docket be accorded streamlined treatment pursuant to Section 63.03(b)(2)(iii) of the Commission's rules.

Sincerely,

Michael G. Jones
Angie Kronenberg
